MINERAL FERTILIZERS/GROWTH PROMOTERS

*Faster Results  
Promotes Roots*

# Core Idea of Mineral Fertilizer Use

MAHA AGRO LTD

**Cost Saving:-** MF products work as plant growth stimulator and provide 16 different types of nutrient to crops and help to reduce or to remove synthetic fertilizer.

**Pallet form :-** MF products designed in advanced pallet form where it gradually feed plant and help to grow healthy. Pallets engineered in such a way so as it retains moisture and help bacteria to provide growth acceleration

# Core Idea of Mineral Fertilizer Use

MAHA AGRO LTD

**Eco- Friendly:-** MF products are growth enhancer and induced ingredients produce from mother nature, It has capability to increase fertility and soil health

**Yield Quantity:-** It has good combination of organic carbon and nitrogen along with other micronutrients, this helps to increase quantity yield compare to synthetic products.

# Mineral Fertilizer | GBR

MAHA AGRO LTD

- What it does ? Mineral Fertilizer-GBR is a 100% natural product to enhance plant growth. It is a product mix of selective mineral properties along with cow dung, cow urine and other natural mineral supplements which enhances soil fertility. It helps increase soil microbes and resistance power of the plant to fight against pests and diseases. It is important for overall development of the crop, better for food crops and flowering.
- Improves physical, chemical & biological properties by reducing salts present in soil.
- Easy to apply as it is available in 10 mm size granules.
- Improves pH level of soil and enhances plant growth.
- Where to use? Mineral Fertilizer-GBR Practically, can be used on Wheat, Maize, Rice, Millets, all type of Pulses like Chickpea, Red, Green, Yellow and Brown Lentils, Kidney Beans and all type of flowers.

# Mineral Fertilizer | BLK

MAHA AGRO LTD

- What it does ? Mineral Fertilizer-BLK is a 100% natural product developed with help of natural minerals, press mud, bonemill and other mineral supplements to enhance plant growth. This is very useful to improve the soil physical properties. It improves the development of white root system. Mineral Fertilizer-BLK increases soil microbes and resistance power of the plant. It is important for overall development of the crop.
- Improves physical, chemical & biological properties by reducing salts present in soil.
- Easy to apply as it is available in 10 mm size granules.
- Improves pH level of soil and enhances plant growth.
- Where to use? Mineral Fertilizer-BLK Practically, can be used on any type of soil and crop. It gives best results in Cotton, Tobacco, Sugarcane, Soyabean all type of Oil Seeds and all vegetables like Brinjal, Tomato, Potato, Cabbage, Chilli, Cucumber, Onion and vegetable garden etc.

# Geo Care

MAHA AGRO LTD

- Improves soil structure by reducing soil compaction and removes soil hardness
- Increases soil nutrient and moisture retention thereby enhancing soil productivity
- Reduces the salinity & stimulates the chelation of excess salt
- Drives root stronger by regulating the balance of soil factor. It also increases carbon sequestration and oxygen levels in the soil for improved root growth
- Revitalizes and works best for all types of soils whether heavy clay or dry sandy soils

**A combination of Nano & Biotechnology for Mineral Based Organic Growth Promoters for Agriculture**

# Basic Nutrients and Micro Nutrients

## Basic Nutrients mg/kg

Product Details	Total Nitrogen	Total Phosphorus	Total Potash	Total Magnesium	Total Calcium	Total Carbon
Mineral Fertilizer BLK	0.42	0.15	0.31	11.2	5	0.87
Mineral Fertilizer GBR	0.48	0.15	0.31	8.82	5.3	1.19
Geocare	0.31	0.27	0.27	9.66	7.1	0.32
Humicrons	0.17	0.12	0.12	13.66	4.4	-

## Other Products

### ➤ Thirps Kranti:

Thrips Kranti is developed from natural resources to protect crops from tiny insects, Flies etc.

### ➤ Tiger Booster:

TigerBooster helps to improve flowering of crops and help in over all developments to increase crop production

## ➤ **THRIPS KRANTI**

### **(ORGANIC TERMINATOR/KILLER FOR THRIPS)**

**THRIP SKRANTI** is derived from fermentation of natural material to kill the thrips. **THRIPS KRANTI** kill the thrips by hampering the biochemical process of digestive system. **THRIP SKRANTI** is an organic pest controller derived from plants and other natural materials can control other small insects, mites etc. **THRIPS KRANTI** works by dual way i.e to kill the thrips as well as provides micronutrient to plants. **THRIPS KRANTI** can be used for any shrubs, plants, trees at any stage of development when thrips attack.

Thrips feeding on plants can damage fruit, leaves, and shoots and very noticeably affect plants appearance. Herbaceous ornamentals, and certain vegetable crops, are more susceptible to serious injury from thrips feeding and thrips-vectored viruses, especially when plants are young so, to protect this **THRIPS KRANTI** is best organic solution for them.

## ➤ **TIGER BOOSTER**

### **(Organic liquid for plant growth)**

**TIGER BOOSTER** is an organic liquid fertilizer that works as a universal booster agriculture. **TIGER BOOSTER** is the rich source of beneficial micro flora that support, stimulate the plant growth and help in getting better vegetative growth and good quality yield. Presence of many beneficial microorganisms like nitrogen fixers, phosphorus solubilises, actinomycetes and fungi in **TIGER BOOSTER** activate the soil and increase the yield of the crop.

**TIGER BOOSTER** increase the earthworm counts in soil and keep the soil in porous form. **TIGER BOOSTER** application will help the earthworms to work in the soil till upper most layer bringing more porosity and minerals till the surface.

## Reskue:

Naturally developed from silicate mineral with natural herbs to prevent crops from scrolling insects, white and black flies etc.

### Tentative Grade wise Production Capacity/Month

Mineral Fertilizer BLK	250 MT Pallets+300 MT Liquid
Mineral Fertilizer GBR	250 MT Pallets+ 300 MT Liquid
Mineral Fertilizer Humicrons	10000 Liters
Mineral Fertilizer Reskue	450 MT
Mineral Fertilizer Tiger Booster	175 MT
Mineral Fertilizer Thirps Kranti	150 MT
